REDINet Offerings – 6.2020

REDINet turned all JPA Partner connections up to 1 GB speeds and 1 GB on their Transport, free of charge to assist in Covid 19 Stay Home order and student connectivity.

JPA Partners are Pueblo of Pojoaque, Ohkay Owingeh, Pueblo of Tesuque, Santa Clara Pueblo, County of Santa Fe, Los Alamos County, Rio Arriba County and City of Espanola. Participating ISPs include Eagle IT, Black Mesa Wireless, Pojoaque ISP and Santa Clara Housing ISP.

Rio Arriba County has existing hotspots at fire stations and some community centers to allow connectivity. Residents must reach out to County Managers office for password, and permission was granted from Santa Fe County to use fire stations as hotspot locations, to be scheduled.

Talks with Los Alamos County, Pueblo of Tesuque, Ohkay Owingee, City of Espanola are currently under way to collaborate the best solutions. Collaboration with Pojoaque schools are in process to ensure hot spots are available within students' communities. REDINet's Board has authorized potential added partnerships to help its communities during this time.
