Yolobus Now Requires Riders to Wear Protective Face Covering

WOODLAND, Calif. – Yolo County recently announced a new health order that requires wearing face covering in public, including on public transportation. According to the County, face coverings must be worn in public settings, such as:

- Waiting in line to go inside a store
- Shopping at a store
- Picking up food at a restaurant
- On public transportation (or waiting for it)
 - In a taxi or rideshare vehicle
 - Seeking healthcare
 - Going into facilities allowed to stay open
 - Working an essential job that interacts with the public
 - Children 2 years and older should be encouraged to wear a mask when around others closer than 6 feet. When they do, they must be supervised by an adult.

Residents are still required to stay at home as much as possible, practice social distancing of at least 6 feet, and use other public health measures, such as frequent hand washing, covering coughs, and staying home when sick.

Visit the County's NEW webpage on 'Roadmap to Recovery' at: www.yolocounty.org/coronavirus-roadmap for the face covering health order, the amendment to the Shelter in Place order that allows these community activities to resume, infographics, and other supporting documents. Residents can also call Yolo 2-1-1 for resource information.
